NOTICE REGARDING TRIAL TRANSCRIPTS

On December 4, 2023, Defendants sent an email to the Courtroom Clerk requesting permission to retain a private court reporter to make unofficial transcripts of the trial in this case. The Court gave Defendants permission to do so on December 7, 2023. Plaintiff mentioned Defendants' intent to hire a court reporter in her Notice of Request for Sequestration of Witnesses, ECF No. 373 at 2, and, on the first day of trial, Plaintiff requested copies of Defendants' court reporter's transcripts.¹ Defendants, however, were unable to locate a court reporter available to prepare daily transcripts. Defendants hereby file this notice to clarify that they were unable to retain a private court reporter and therefore do not possess unofficial transcripts of the trial.

In addition, Defendants have requested a copy of the official trial transcript from the official court reporter. The court reporter advised Defendants that he would be unable to provide a copy before the January 4, 2023 closing argument, and it is unclear when the trial transcript will be available. Accordingly, Defendants intend to rely on their notes of the trial to prepare for the closing argument and to draft post-trial proposed findings of fact and conclusions of law.

¹ Because Defendants do not have access to a transcript of the proceedings, they are relying upon their notes and recollection of the trial to make this representation.

Dated: December 21, 2023

Respectfully submitted,
